No.S 105/XI/ Karwar,10-5-1958.

Subject: Grant of 1-0-0 out of F.S.No.26, village Asulli in Supa petha.

I am submitting herewith case papers pertaining to the grant of an area of 1-0-0 out of F.S.No.26 of Asulli village. An area of 2-0-0 out of F.S.No.26 was leased on hangami lease to one Shri Ganaba Shablo by the Forest Department in the year 1955 for paddy cultivation.

As per the orders contained in Government Resolution, A.& F.D.No.FDM 1054 dated 7-3-1955, forest lands leased on hangami cultivation are to be permanently disposed of in favour of the lessees who develop the area within a period of 3 years. In this case, the lessee has developed 1-0-0 of land and the remaining undeveloped area of 1-0-0 has been resumed by Government. The lessee deserves permanent grant of 1-0-0 which he has developed at a cost of Rs.200/-. But the standard prescribed for an economic holding comes in the way of disposal of 1-0-0 in favour of the lessee.

The applicant(lessee) already holds lands on occupancy and on tenancy. The total area held by him, if converted to tari class of land, would work out at 7-20-Ø9½ A.G. A. If he is granted 1-0-0 of forest land in question his total holding would work out to 8-0-9½ tari class land. So, he will have an area of 0-0-9½ in excess of the economic holding. The area involved is

[redacted] The lessee deserves the grant.

In the above circumstances, sanction may, therefore, kindly be accorded to grant an area of 1-0-0 out of F.S.No.26 of Asulli to Shri Ganaba Shablo, the hangami lease holder. The papers of the case are enclosed. Necessary action to disforest the area will be taken on receipt of Government orders.

Sir,

NO. 28 AUG 1958 A. & F. DEPTT., CO-OPERATION BRANCH

Sub: Grant of an afea of one acre from F.S. No. 28 of Asulli in Supa petha.

Your Memo No. AFD-DS758 dated 17-6-58.

In enclosing a copy of letter No. 22/63/1327 dated 21-7-58 from the Conservator of Forests, Belgaum circle on the above subject, I write to state that there is no objection to grant the area in question permanently to the applicant after disforestment. However it is pointed out that the question of grant of only the developed area or resumption of the entire leased out lands in cases where partial developments have been made is till under consideration of Government, vide Correspondence ending with this office letter No. B3-34-295/57 dated 7-7-58. Hence the present case may be decided in the light of the decision that would be taken by Government on the above issue.

The case papers accompany.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.

Subject:-Grant of an area of one acre from F.S.No.26 of Asulli in Supa Petha.

No.22/63/ of 1958-59.
Belgaum. July 1958.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Reference:-Your No.B3-42-528/58 dated 5th July 1958.

In this case, an area of 2 acres from F.S.No.26 of Asulli in Supa Petha was granted to Shri Ganaba Shablo Patel for cultivation in the year 1940-41. It can be seen from the Divisional Forest Officer's report at page 39 that out of the above area, an area of one acre has been properly developed by the grantee. According to Government Resolution, Agriculture and Forest Department No.FDN 1054 dated 7-3-1955, the Hangami Lagans in the Kanara District which are not encroachments are to be granted on permanent basis in accordance with the rules and policies laid down in the Government Resolution, Revenue Department No.LND 3953-V-B dated 20-8-1954 regarding grant of Government lands for cultivation excepting where the land has not been properly brought under cultivation in spite of sufficient period having elapsed. In this case, the applicant has developed only half of the area granted to him on Hangami Lagan.

2. From the Deputy Commissioner's letter No.S.105/XI/ dated 10-5-1958, it may be seen that the economic holdings of the grantee exceed by 0-0-9½ if the above developed area of one acre is granted to the applicant after disforestment. He has recommended that the area of one acre actually developed may be disforested in favour of the grantee since the excess of economic holdings that would be held by him (grantee) after the grant is negligible. In view of this and the Divisional Forest Officer's recommendation under his No.G/11/13966 dated 10/11-1-1956 (page 39), there appears no objection to accept the Deputy Commissioner's recommendations.

3. The question of grant of only the developed area or resumption of the whole of the leased out lands in cases where partial developments have been made, is under consideration of Government (please vide your No. B3-U-0-124 dated 28-5-1958). The case may therefore be decided in the light of the decision that would be taken by the Government in the above issue.

4. The correspondence received under your above No. is returned herewith.
